This Fund accounts for the financing of capital asset purchases for the Millington Municipal Schools. A one year budget and a five year plan is developed each fiscal year. Projects begun and funded in a prior year, but not completed as of year end, will roll forward into the next year's budget with their funding. Grants and general obligation debt are the primary source of funding these projects.

The Board of Education did not adopt a five year capital plan prior to the city's adoption of the FY18 Budget. The Board of Education will develop a plan in the coming months and submit it to the Board of Mayor and Aldermen for approval.
